Places where you can work on your laptop:

- ✦ The Transfer Centre has a 'work station' with 6-8 seats where you can power up your laptop.
- ✦ In the Pier C access area, SAS has a transfer centre for passengers travelling on airlines handled by SAS/SGS. You can also sit down and work from the tables next to the 7Eleven in the same area.
- ✦ Moreover, there are a number of seating and quiet zones in the airport, including the "Cylinder" in Terminal 3 and the balcony next to the play area in Terminal 2.
- ✦ A number of eateries have power sockets for their guests to use so that they can work during their visit to the cafe/restaurant.
- ✦ The 7Eleven in the arcade between Terminal 2 and Terminal 3 before security has desktop computers which passengers can use to access the Internet.

Wifi – There are wifi facilities throughout the airport. The charge is DKK 40 per 30 minutes.
There are no facilities for printing documents in the general terminal areas, but most private lounges have printing facilities.
