

Charges regulations at Copenhagen Airport, agreement on Swift charges

Stock Exchange Announcement number 6/2010 Copenhagen, 15 July 2010

In today's issue Danish business daily "Børsen" carries an article on charges regulations at Copenhagen Airport.

The agreement was concluded between Copenhagen Airports (CPH) on the one hand and SAS, Cimber Sterling, Norwegian and IATA on the other.

CPH notes that an agreement has been submitted to the Danish Civil Aviation Administration (DKK-CAA), for consultations with all airport users. The consultations are expected to be completed within the coming weeks, cf. the rules of BL 9-15, 2nd edition. The new charges agreement will take effect on 31 October 2010.

A further announcement will be made in due course.
